

ABLE to Save Month Celebrations

ABLE to Save Month is right around the corner! Celebrated annually in August, this nationally coordinated campaign aims to educate the public about the potential positive impact ABLE accounts have on the lives of millions of Americans with disabilities. It is my personal goal to raise awareness of IABLE accounts as a valuable savings tool.

This year, I've partnered with the [Iowa Developmental Disabilities \(DD\) Council](#) to present an IABLE webinar on Thursday, August 26th at 5 p.m., CST. Register today to learn about IABLE eligibility, benefits and the recent legislative updates, including changes to Medicaid recapture and guardianship.
