Introducing Train the Trainer!

Is there someone at your organization who is passionate about advocating for individuals with disabilities and their families? Do they enjoy educating others? If so, our Train the Trainer program may be a perfect fit for them! Train the Trainer helps you learn about IAble, become certified and have the knowledge to give a presentation about IAble to members in your community. Those interested can learn more and register for an account at [IAble.gov/trainers](https://Able.gov/trainers).
