

## Gifting

Gifting happens year-round, not just during the holiday season! A contribution to an IABLE account through Ugift allows Account Owners to receive a monetary gift from family and friends at any time knowing the transaction is secure.

Ugift is a free service included with every IABLE account. Account Owners can follow the steps below to find their unique code to share with family and friends.

1. Log in to your account.
2. Click the **View and invite saving with Ugift** link in the left menu.
3. Locate your Ugift code, which will be a combination of six characters and displayed like this:  
1A2-B3C.

Once the unique code is located, Account Owners can share it with family and friends and ask them to visit [UgiftABLE.com](https://UgiftABLE.com). There, they can put in the code and the amount they would like to contribute. It's that easy!
