

## **Message from Treasurer Smith**

A new year offers each us of numerous possibilities! It is an exciting time to pause for a moment and consider both short and long-term savings goals. With new guidelines for Entity Enrollment, there is now even greater flexibility for Account Owners and their support systems to open an account. As we continue to look ahead for 2023, I hope this year holds opportunities for lowans with disabilities to continue taking steps toward greater financial freedom.
